

Regional Hydrologic Study Locations

Areas where regional groundwater modeling studies are delineating source water areas for municipal systems using groundwater.

REGIONAL HYDROLOGIC STUDY CONTACTS

Regional hydrologic studies have been or are being conducted as part of the source water assessment program required by the 1996 Safe Drinking Water Act Amendments. These groundwater modeling studies were undertaken to delineate source water areas for municipal water supply systems using

groundwater. The studies have been completed or will be by the end of 2002. The attached map shows the hydrologic study locations. For further information on any of these studies, contact the person identified below.

LaCrosse, Fond du Lac and Dane Counties and SEWRPC Counties

Ken Bradbury
Wisconsin Geological and Natural History Survey (WGNHS)
3817 Mineral Point Road
Madison, WI 53705
608-263-7921
krbradbu@facstaff.wisc.edu

Sauk County

Madeline Gotkowitz
WGNHS
3817 Mineral Point Road
Madison, WI 53705
608-262-1580
mbgotkow@facstaff.wisc.edu

Rock County

Dave Hart
WGNHS
3817 Mineral Point Road
Madison, WI 53705
608-262-2307
djhart@facstaff.wisc.edu

LaCrosse County

Randy Hunt
U. S. Geological Survey (USGS)
8505 Research Way
Middleton, WI 53562
608-821-3847
rjhunt@usgs.gov

Central Sand Plain

George Kraft
Central Wisconsin Groundwater Center
CNR room 224
UW – Stevens Point
Stevens Point, WI 54481
715-346-2984
gkraft@uwsp.edu

Lower Fox River Valley

Jim Krohelski
USGS
8505 Research Way
Middleton, WI 53562
608-821-3850

jtkrohel@usgs.gov

Pierce and St. Croix Counties

Maureen Muldoon
Geology Department
800 Algoma Blvd.
UW – Oshkosh
Oshkosh, WI 54901
920-424-4461
muldoon@uosoh.edu

Eau Claire County

John Tinker
Geology Department
UW – Eau Claire
Eau Claire, WI 54701
715-836-5485
tinkerj@uwec.edu
